

# A picture is worth a thousand words

This session provides participants with tips and ideas on how to incorporate visual supports into a variety of settings. These supports can provide the needed information to prevent challenging behavior and teach new skills. The presenter will share fun examples and anecdotes that may be useful in setting up a visually supportive environment for your child or student with Autism or other developmental disabilities.

## Tuesday, May 26

Noon to 1:30 p.m.

or

5 to 6:30 p.m.

The Carousel Center  
1112 Gallia Street  
Portsmouth, Ohio 45662

**Please register by calling 354-3995**

*The SCBDD's Positive Behavior Support informational sessions are open to the public. Attendees do not need to receive services from SCBDD to participate. We welcome and encourage parents, teachers, caregivers, and providers to take part in our valuable PBS informational sessions.*
